

The logo features the Microsoft logo in white at the top. Below it, the words "Technology Spotlights" are written in a large, yellow, stylized font. The background is dark with a bokeh effect of light spots and a horizontal line with decorative scrollwork at the ends.

**Microsoft®**

**Technology  
Spotlights**

## **Open day @ Microsoft Timisoara**

At Microsoft CSS (Customer Service and Support), the sentence: “That’s not our problem” doesn’t exist in our lexicon. With more than 4,000 employees, we deliver world-class assistance around the clock to businesses, partners and developers in 24 languages.

Microsoft CSS (Customer Service and Support) located in Timisoara provides high technical service and 3rd and 4th level support for Microsoft’s European Enterprise and Development customers. The center is part of Microsoft Global Support Operations and is an extension of the Bucharest.

Since the center is a continuous learning environment, we’ll make a significant investment in your technical and professional development, yet much of your growth will be self-directed. Moreover, you will be actively involved with mentoring, training and collaborating with other Engineers to make our team fast, stronger and smarter at handling critical issues for Microsoft customers.

Do you want to find more about us? We invite you to Microsoft Open day.

When: Friday, 22<sup>nd</sup> of February 2013

Time frame: starting at 10 am and ending at 4 pm

Location: Microsoft Timisoara

If you are interested please present your application by means of a CV to [v-adric@microsoft.com](mailto:v-adric@microsoft.com) and [v-ioanat@microsoft.com](mailto:v-ioanat@microsoft.com) with the mention “application open day”. Please be aware that only selected candidates will be invited.

Looking forward to seeing you there!
